The Efficiency tab is located under the **Computer Activities** reports on the left side menu:

Overview

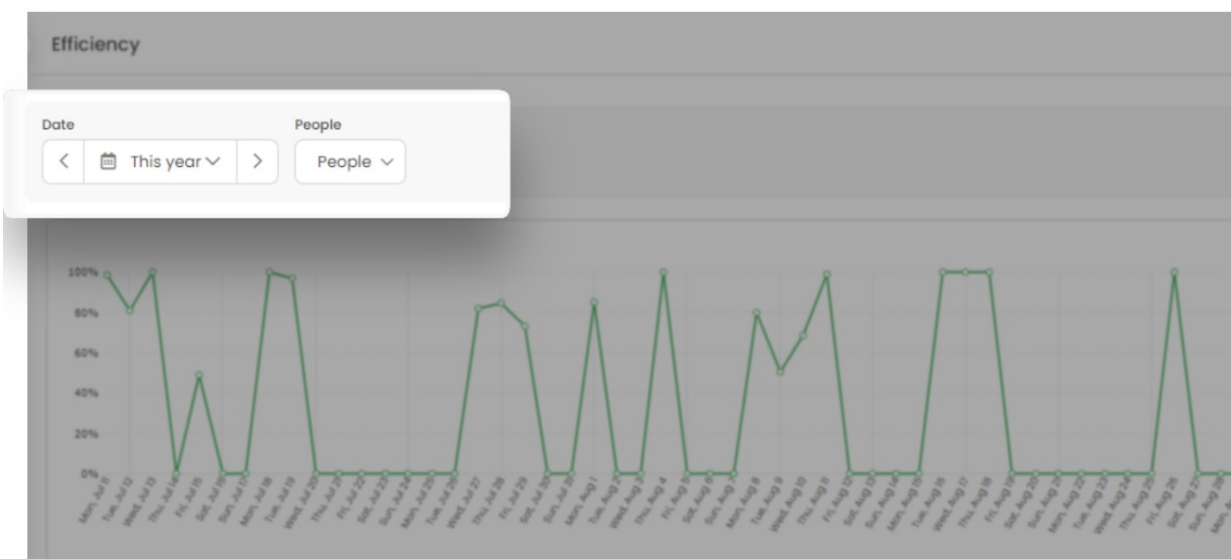

In the efficiency report, you can check and compare time spent on **Top productive** and **Top Unproductive** activities. The graph report also allows you to see the percentage difference between productive and unproductive activities during your workday.

Administrators and Supervisors are able to view registered activities for users who they manage.

Top Productive Activities	3h 09m	Top Unproductive Activities	12m
meet.google.com	28m	Private Time	05m
app.timecamp.com	24m	bilet.intercity.pl	02m
Other work-related (off-line)	15m	pyszne.pl	01m
timecamp.com	12m	lunch (off-line)	01m
explorer2	09m	intercity.pl	01m
docs.google.com	09m	pkp.pl	9s
timecampdev.atlassian.net	04m	mair@huonregionalcare.org.au	3s
app.asana.com	04m	kalendarzswiat.pl	2s
Windows Explorer	01m		
Google Chrome	55s		
timecamp.uservoice.com	29s		

Data can be filtered by a date range and people picker. If you select a few users, the report will show the total time of productive and unproductive activities for all selected users.

This report is available only in the online version, it can't be exported.
