# Welcome to TimeCamp Help!

TimeCamp's API

We've prepared API for those, who need to use data from TimeCamp in their own software and our export possibilities aren't enough for them.
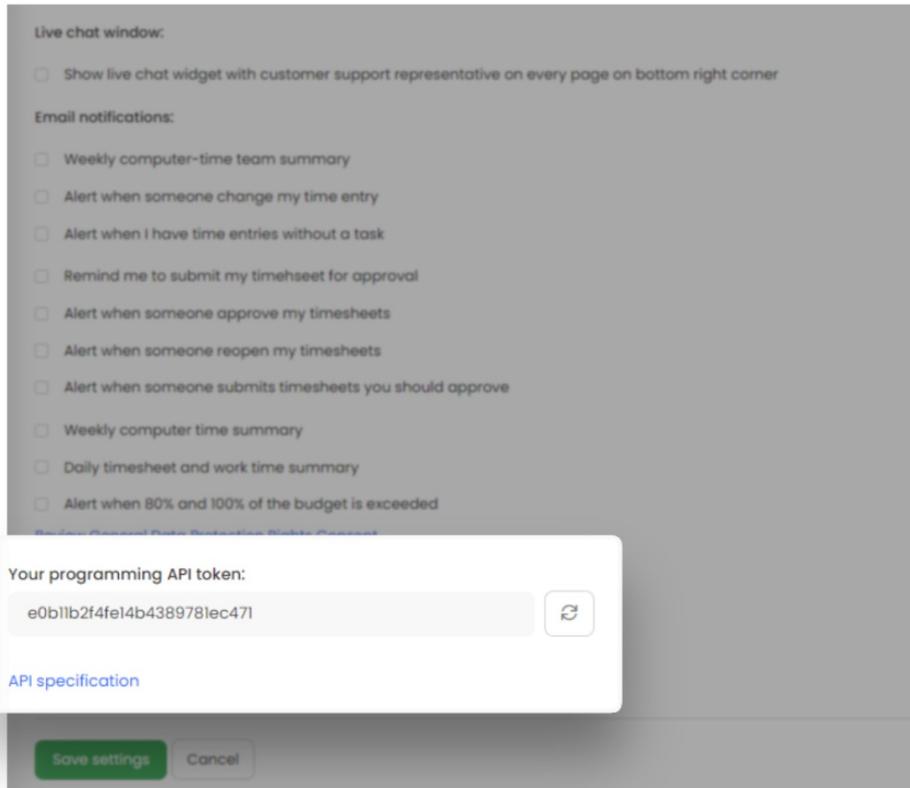

> API is available to all subscription plans and is free of charge.

You can read our documentation and instructions here.

To get your API token, please log in to your TimeCamp account and **click on your avatar** in the right-upper corner. Next, select the **Profile Settings option**.

You'll find your **API token** at the bottom of the page.

Live chat window:

☐ Show live chat widget with customer support representative on every page on bottom right corner

Email notifications:

☐ Weekly computer-time team summary

☐ Alert when someone change my time entry

☐ Alert when I have time entries without a task

☐ Remind me to submit my timehseet for approval

☐ Alert when someone approve my timesheets

☐ Alert when someone reopen my timesheets

☐ Alert when someone submits timesheets you should approve

☐ Weekly computer time summary

☐ Daily timesheet and work time summary

☐ Alert when 80% and 100% of the budget is exceeded

Your programming API token:
